Visitor and tourists

Visit visas are available to persons who intend a genuine short-term visit to Australia. These are not intended for persons who wish to work or remain permanently in Australia. - Completed and signed **Form 48R**
- Your original passport, or a **copy of your passport**, two recent passport photographs and visa application fee in UAE Dirham (exact cash, or demand bank draft drawn on a UAE bank).
- Telephone number and full address details of any relatives/contacts in Australia.
- Evidence of adequate funds to support yourself whilst in Australia (eg. Statement of bank account showing transactions for the past 3 to 6 months).
- A letter of employment confirming your period of employment, salary and approved period of leave (If you are self employed business owner, provide current business license and plans in place of your business while you are in overseas).
